Tricks for encouraging kids to read
Is your child a reluctant reader? Why not try helping them find the book that goes with a movie or DVD they’ve enjoyed, or are about to see. Encouraging your child to read can help them to build their imagination as well as giving them a better vocabulary. Kids who read different types of books develop a wide range of language skills and are better placed to understand different types of texts as they progress into high school. School A to Z has lots of tips and ideas on encouraging your child to read, at http://bit.ly/HLPmB9

Private tutoring
Are you thinking about a private tutor to complement your child’s education? School A to Z explores questions about what to look for in a tutor, what you would want your child to achieve and tips on what to ask a potential tutor. http://bit.ly/K5aczo

Have a great week
