Principal's Report
Thank you to those parents who turned up to last week’s assembly. I would like to acknowledge 4/5R on their fantastic item. It entertained us as well as giving the students an opportunity to perform in front of a crowd. By the looks of it, we have a number of budding actors in the making.

Reptile Show – Deadly Australians
This Friday 7th November our students have the opportunity to attend a reptile show titled ‘Deadly Australians’ in the school hall. This show has proven to be popular around other schools. The price structure is very friendly to families with one child costing $5.50 or $11.00 per family. Parents are also welcome to come and see the show free of charge. Please have the signed permission note and money returned to the office.

There will be two sessions as follows:
• K12 – 9:00 – 10:00
• Years 3 – 6 – 10:00 – 11:00

We will also be hosting a Morning Tea for parents after each show in the school library. Please come and enjoy a slice and a cup of coffee.

Selective High Schools Application 2016
Online application for Year 7 entry to selective high schools in 2016 is now open. Find out more:
Please be aware that there will be no paper application forms this year, applications are only accepted online. Applications can be made between 14th October 2014 and 17th November 2014, with the Selective High School Placement Test being held on Thursday 12th March 2015. Please see the office if you do not have access to the internet for other arrangements to be made.

NSW Public School Terms and Holidays
Here is a snapshot of the NSW public school terms and holidays for 2015-2016. Find more information at:

Girls Dresses
There are a number of girls summer dresses in our clothing store that have been reduced to $10.00. Lowes are now supplying this item and we are required to sell our stock, hence the substantial reduction. Sizes vary, so get in quick to avoid disappointment. See Belinda Hopwood for further information, The uniform shop is open before each K-6 Assembly.

K/1 Balloon Races
Our K/1 class have been investigating wind energy as part of the Science unit they have been studying. Last Friday, they had the opportunity to show their knowledge and understanding through building wind propelled vehicles. By the looks on their faces, it was an enjoyable experience. Talking to the students also showed that they had gained valuable understanding of the concepts presented.
Finally, attached is a flyer with information regarding the SRC’s Fancy Hat & Hair, Dress-Up Day. It will take place tomorrow, with students donating a gold coin. All money raised will go to the Riding for the Disabled.

Have a great week

Derek Noffke
Principal
